TLS Library Newsletter

DEAR TLS FAMILIES,

Welcome back to a new school year! This year, it is our goal to really rejuvenate the library, including removing old and outdated books and bringing in new ones, especially focusing on our non-fiction section. We would love to keep you updated on our progress through this newsletter. If you have suggestions or would like to help in this endeavor, please let us know!

Blessings on your year,
Mrs. Wagatsuma and Mrs. Carter

At the beginning of the year, we polled the grades to see what books the students would like to see added to the library. The following books were some of the top responses. If you have any of these books taking up space on a shelf at home, we would gladly give them a new home with us!

BOOK SUGGESTIONS FROM THE STUDENTS:

Books about horses	Books about cats
Books about dogs	Books about sharks
Humphrey series	I Survived series
Puppy Place series	Ranger in Time series
Pet Rescue series	Kitty Corner series
Books on astronomy (copyright 2007 or later)	Make It Work series
Books on other countries	Geronimo Stilton series
Reading level appropriate American history books (American Revolution, WWII, etc.)	
DK Eyewitness series	

We are also in the process of completing series of books that we already have or replacing our “much loved” books. We are looking for the following books to complete sets:

The 39 Clues Books #4-5, #7-11, various authors

The Boxcar Children, all books

If you have any old posters or pictures, especially of animals (cats, dogs, etc.), space, dinosaurs, or other similar things, we will also gladly take them as we are looking to create some themed displays throughout the year!
