Principal's Corner

The auction was a night to celebrate God's blessings! The night was filled with JOY and laughter, and maybe ever a few tears. There were times throughout the evening that I had a lump in my throat and had to work hard to keep from crying like a baby. One was when Mary Cathryne Woodward opened the evening with a beautifully sung praise song. Her song set the tone for the evening and reminded us that everything we do is for God's glory. Thank you Mary Cathryne for making me all emotional right before I had to speak.

The second time I had to work to keep the tears in, I was completely unsuccessful! This was during the fund-a-need, which has been designated for scholarships. It was incredible to see this pot grow so quickly and to realize the number of families we will be able to help. I can't tell you the number of times families who have received a scholarship come back at a later time to give back. The Trinity scholarships have blessed so many.

Next week we will share with you some specific numbers that we can celebrate. This week, I want to share with you that we are incredibly humbled by the generosity of our Trinity family. The auction was a huge success.

To God be the glory!
