## Principal's Corner

This week your family received a large envelope filled with auction raffle tickets. We are asking each family to get involved by selling tickets to neighbors, coworkers and loved ones. You can sell not only to people who live locally, but also to friends who live across the country. Those who are out of town can purchase through our website and your student will still get credit for these raffle tickets sold. Our goal is for each student to sell 15 tickets. How many do you think your family can sell?

So why are we asking students to sell tickets?

1) With our auction funds, we are able to cover expenses that are not part of our budget. For example; the new bell and clock system was purchased with auction funds as were the Promethean interactive boards in the classrooms. A portion of our auction funds was also used for the roof and HVAC. So you can see we are able to do big things with our auction funds.

2) Selling tickets allows many people to be involved in our auction. Students are involved by selling and friends and loved ones are involved by purchasing. It is great when our circle of people who love Trinity just gets bigger and bigger.

3) Selling raffle tickets is a fairly easy way to raise a lot of money for your child's school. Last year in raffles alone we raised \$ 58,725.

I want to thank you in advance for joining in to sell raffle tickets. You can check the school lobby to track our ticket sale progress.

Chapel starts at 8:20am and parents, grandparents and family are always welcome!

Thank you for your generosity in our offering for Garuna Kids! We have already reached our goal to sponsor one child's tuition for a year and are so close to being able to sponsor a second child! Can we reach a new goal of \$1080 to sponsor **three** kiddos?! So far, we have raised \$686, and the standings in our friendly competition have 3rd and 8th in the lead with \$434, K/5th in second with \$167, and a pretty close race between the rest of the buddy teams for third. ## Families In Touch

This week we will be lifting the 2nd Grade Classes and their families & Mrs. Rehbein and Miss Johnson in prayer.

## SALT Opportunities

Each family (K-8th) is asked to serve 25 volunteer hours each year\*. This can also be donated to the school at a rate of \$20/hour.

### Sign Ups:

### Attention All Field Trip Drivers

Our insurance provider has recently given Trinity new requirements for field trip drivers. All parents driving children other than their own child must provide:

- 1) A copy of a current insurance card
- 2) A copy of their driver's license
- 3) Complete a form that gives Trinity permission to run the parents driving record

Once complete, this verification will be good for one year. If you are planning to drive on a field trip soon, please come to the school office to complete the process. Thank you!

### ISO

The TLS Fundraiser Decor Committee is in search of used Clue games! They are looking for any and all game pieces and boards they can get their hands on for decor for the Auction Event. Games can be old classic or new versions of the games currently sold. Thank you!

Does your family use mini/single-serve cereal in the mornings? If so, can you please save your empty boxes for an upcoming project? Boxes can be dropped off in the lobby or sent in with your student. Thank you!
