## Principal's Corner

Parents, what do you hope for? What are you hoping for this week, in 5 years, 10 years and in 20 years? Are you hoping for nice weather over spring break? Are you hoping your kids are respectful when they hit middle school and high school? Are you hoping your kids will make good choices and stay away from drugs and alcohol? Are you hoping your kids make solid career choices? That's a lot to think about isn't it. Most of us are living day to day and may not think about what is to come in the next 20 years.

How do you think your kids would answer these questions? What do you think they are hoping for? Their answers might involve a hope for no homework over spring break, or they may hope for summer to get here quickly. The middle school students may be hoping for a good high school experience and to be surrounded by friends.

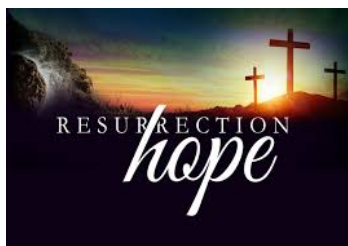

The hopes you and your children hold will most likely be intertwined with commonality. Parents always hope for the best for their children.

The truth is, our hope is in the Lord.

Isaiah 40:31 - But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

As we move closer to Easter, this verse from 1 Peter is such a great reminder that our hope is not of earthly things, but the promise of eternal life in Heaven.

1 Peter 1:3 ~ Blessed be the God and Father of our Lord Jesus Christ! According to his great mercy, he has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead.

## New Teacher

Dear Trinity Lutheran Church and School,  
My wife Kerry and I are so excited to tell you that we feel God is calling us to join you in ministry this next school year. God is great and He has given us such peace in accepting the call to Trinity. We are so excited about the strong leadership, the great staff of teachers, and the opportunities our family will have at church as well. Everyone on staff at Trinity is so amazing. We were also struck by how welcoming everyone was. Thank you for treating us like family even though you just met us. There are still a few months left of the school year, but we will see you all soon. Peace and Blessings,  
Ben and Kerry Bauer
